The Directors present their report, together with the audited financial statements, for the year ended 31 December 2022. The Directors' report has been prepared taking advantage of the exemptions available to small companies under the Companies Act 2006.

WEC SERVICES LIMITED
DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

WEC Services Limited ("WSL") is a wholly-owned subsidiary of the World Energy Council, an incorporated Charity. The company was incorporated on 18 June, 2001.

The company is used for non-primary-purpose trading activities. It has also been used to manage the financial elements of the Congress. The total net taxable profit is gifted to the Charity each year.

WSL's primary activities and outcomes for the reporting period were focused on carrying out trading and commercial partnership activities on behalf of the Charity to generate revenue to support the WEC work programme. For 2021, these included producing commissioned insights reports for World Energy Council partners.

The results of the company for the year ended 31 December 2021 are set out later in these financial statements.

WSL is primarily used as the service delivery subsidiary for commissioned activities, and generates revenue using the tools of the Council. Income may be impacted by ability to generate projects. However, the operating expenses of WSL are very low, and WSL does not hold any investments that are impacted. Its reserves are relatively robust compared to expenditures and it is able to cover the operating costs of WSL for multiple years. As such Directors consider that the accounts for WSL should be prepared on a going concern basis.

CHARITABLE CONTRIBUTIONS

The company makes a gift aid payment of its total taxable profits no later than 30 September of the following year, to the parent Charity, World Energy Council. For the year ended 31 December 2022, a gift aid payment of £532,000 was due to be made by 30 September of the following year. The company had no tax liability for 2021.

DIRECTORS

The names of the Directors in office at the date of this report are shown on page 2.

DIRECTORS' INTERESTS

All Directors who held office on 31 December 2022 are also Directors of the parent company.

AUDITORS

Crowe U.K. LLP has indicated its willingness to be reappointed as statutory auditor.

WEC SERVICES LIMITED
DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The purpose of this statement is to distinguish the Directors' responsibilities for the financial statements from those of the auditors as stated in their report.

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of its profit or loss for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business for the foreseeable future.

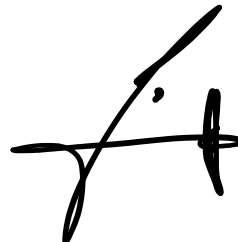

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility to take such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Insofar as each of the Directors of the company at the date of approval of this report is aware, there is no relevant audit information (information needed by the company's auditors in connection with preparing the audit report) of which the company's auditors are unaware. Each Director has taken all of the steps that he/she should have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

WEC SERVICES LIMITED
AUDIT REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

Independent Auditor's Report to the Members of WEC Services Limited

Opinion

We have audited the financial statements of WEC Services Limited for the year ended 31 December 2022 which comprise Statement of Income and Retained Earnings, Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2022 and of profit for the 31 December 2022 then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

WEC SERVICES LIMITED
AUDIT REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and their environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company; or
- the company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

WEC SERVICES LIMITED
AUDIT REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

We obtained an understanding of the legal and regulatory frameworks within which the company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006 and financial reporting standards. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the company for fraud. The laws and regulations we considered in this context for the UK operations was taxation legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board of Directors about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence, reading minutes of meetings of those charged with governance, and reviewing agreements for individual income streams to ensure they are recognized in line with the respective accounting policy and the requirements of FRS 102. .

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

WEC SERVICES LIMITED
NOTES TO THE ACCOUNTS
AS AT 31 DECEMBER 2022

1. COMPANY INFORMATION

WEC Services Limited (WSL) is the trading subsidiary of the World Energy Council (“the Charity”). The Trustees of the Charity are also the Directors of WSL. The Charity is the sole member of WEC Services Limited, which has share capital, is registered in England and Wales and was incorporated on 18 June 2001.

The company is a private limited company incorporated in the UK (registered no. 4236035) and operates from its registered office address 62-64 Cornhill, London EC3V 3NH.

The subsidiary is used for non-primary-purpose trading activities, namely, to accept and manage Congress revenues and revenues from commercial partnership projects. Each year, the net taxable profit is gifted to the Charity.

The Charity’s investment in this subsidiary is £100.

2. ACCOUNTING POLICIES

a) Basis of preparation

These financial statements have been prepared on the going concern basis, under the historical cost convention and in accordance with applicable United Kingdom accounting standards - Financial Reporting Standard 102 (‘FRS 102’) as applicable to smaller entities, and with the Companies Act 2006.

The Directors have considered the recent Covid-19 crisis and the potential impacts on WSL, and believe that WSL would continue to operate effectively even if its main sources of income were to be severely affected, due to WSL’s low cost of operations. The Directors consider it appropriate for these financial statements to be prepared on a going concern basis, which assumes that the company will continue to operate for the foreseeable future.

b) Income recognition

Turnover for the year consisted primarily of revenue from service projects commissioned by partners. Income is recognised when there is entitlement to it, it is measurable and that it is probable that it will be received.

c) Foreign currencies

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. Exchange rate differences are dealt with in the profit and loss account.

d) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with use of the resources.

e) Gift Aid Donations

Donations to the parent charity are recognised as an expense either when paid or at the date when the company has a legal liability to make the donation payment if earlier.
