

# WORLD ENERGY WEEK 2025

6-9 OCTOBER 2025  
PANAMA CITY

## Energising connections, powering a healthy planet

**World Energy Week** is a powerful platform that connects regional realities and priorities with the global energy agenda and serves as an important milestone between the World Energy Council's bi-annual World Energy Congress.

Under the theme '*Energising Connections, Powering a Healthy Planet*', World Energy Week 2025 will be co-hosted with the National Secretariat of Energy of Panama. Long seen as a gravitational centre for the Americas and a global hub in energy trade, Panama City will provide a vibrant backdrop for convening energy leaders from across the globe.

For four high-impact days, the Council's remarkable 100-year-old global network will convene alongside changemakers from across the energy ecosystem in a dynamic space to share actionable solutions that will enable faster, fairer and further-reaching energy transitions. Now is the time to enhance regional collaboration to progress sustainable, affordable, reliable and socially transformative energy agendas - and deliver a better energy future for billions of lives and a healthy planet.

## Highlights

- ✓ Shape the conversation at a critical time for energy security, affordability and sustainability.
- ✓ Learn with and from the diverse experiences of a global network of energy leaders.
- ✓ Contribute to a rich content programme designed to progress clean and inclusive energy transitions at pace and scale.
- ✓ Maximise networking across four days of programming and social events that celebrate the exceptional heritage and culture of Panama.

# WORLD ENERGY WEEK 2025

**6-9 OCTOBER 2025**  
PANAMA CITY

## How to participate

World Energy Week is a dynamic space for open, informed and honest exchanges. From high-level plenaries to interactive sessions and networking, the event is designed to foster collaboration, connections and real-world impact. All participants will have the opportunity to share their insights and experiences.

### 6-7 OCTOBER

- World Energy Council Executive Assembly and Member convenings
- Networking reception

### 8-9 OCTOBER

- Content programme
- World Energy Leaders' Dialogue

Beyond the main programme, attendees can enjoy exclusive social events and sightseeing tours, offering a chance to explore Panama's rich history, vibrant culture, and stunning heritage whilst building valuable connections in a more relaxed setting.

For further information or to register for World Energy Week 2025, [www.worldenergyweek.org](http://www.worldenergyweek.org)

For information on becoming a Patron or member of the World Energy Council, contact [membership@worldenergy.org](mailto:membership@worldenergy.org). To enquire about speaking opportunities in the programme, please contact [global.agenda@worldenergy.org](mailto:global.agenda@worldenergy.org).

Convening and connecting visionary leaders across the world energy ecosystem for impactful conversations is essential to making energy transitions happen. Accelerating decarbonisation with justice and resilience is the best way to secure more energy for better lives and the health of the planet that we all call home. World Energy Week is an important platform for conversations and collaborations which leverage the diversity, flexibility and scalability of the Council's global community network.

**Angela Wilkinson**  
Secretary General and CEO,  
World Energy Council

World Energy Week is a powerful platform that connects the global energy agenda with the realities and priorities of energy transitions here in Panama. We are thrilled to host this important energy event in 2025 and convene the World Energy Council's global community to progress faster, fairer and further-reaching energy transitions.

**Juan Manuel Urriola**  
National Energy Secretary, Panama
